- Rigorously tested for standards of chemical composition
- Cross tested using mass spectrometry and gas chromatography to ensure exact purity and composition potency

- All oils come in 15 ml bottles.

### **dōTERRA Co-Impact Sourcing**

dōTERRA works to improve lives and communities throughout the world. Many of the essential oils offered by dōTERRA are sourced in developing countries, where the growers and distillers are often at the mercy of third parties. dōTERRA Co-Impact Sourcing™ helps create coalitions of growers and distillers that ensure local communities receive fair and timely payments to support their families and communities. dōTERRA works with these coalitions to provide the resources, tools, and training necessary to ensure a long-lasting partnership.
